Second City Chamber Series 2008-2009 Season

Tales of Two Cities

Svend Rønning, Artistic Director
www.scchamberseries.org

So often great things come in pairs! Chamber music must occur at least in pairs, if not in trios, quartets, or quintets. What would performers be without an audience? What would composers be without performers? And by our name, Second City Chamber Series seems to imply a pair, does it not?

Join the Second City Chamber Series as we take you around the world for the world's greatest chamber music, the most intimate of musical experiences. In this season we will conjoin the music of New York and San Francisco, Durham and London, Berlin and Leipzig, Paris and Rio de Janeiro, Budapest and Vienna, Paris and Prague, Barcelona and Madrid, Copenhagen and Stockholm, using musicians from our own Tacoma and Seattle, of course!
